6. Multispan agrees to and hereby waives and relinquishes the right to ever contest the validity or enforceability of either of PSN Patents and any of their claims in their present form, whether such assertion of invalidity or unenforceability would be made in a court proceeding or Patent Office proceeding, and whether or not such assertion is made with respect to the infringing products in this action or with respect to any other products that may be made, used, sold and/or offered for sale by Multispan in the future.

7. All claims and defenses of each of the Parties are hereby dismissed with prejudice.

8. The parties shall each bear their own costs and attorney fees incurred in this action, and the Court shall retain jurisdiction to enforce the terms of this Consent Judgment Order and the corresponding Settlement Agreement between the parties concerning this action.
